Foreword

If we were asked, in the future, what period of our lives we should like to live over, there is little doubt but what many would say, "My School Days." But, since that would be impossible, we have tried to make reminiscing easy by presenting this 1952 Retro for the safekeeping of our memories.

In this annual we have endeavored to depict the student body and the activities of our school in regard to both work and amusement.

Grateful acknowledgment is made to the faculty and everyone who contributed their loyal support, especially our sponsors, Mrs. Imogene Blue and Mr. Charles Schettler.

Dedication

The Senior Class of 1952 is proud to dedicate its yearbook to the F.F.A. and the F.H.A.

The Future Farmers of America is an organization of rural boys studying agriculture under the Smith-Hughes Act in any of the many vocational agriculture departments in the rural high schools of the United States, Puerto Rico and Hawaii.

Founded in 1928, its purpose is to foster and nurture a love of farming and country life and to create and mold a definite leadership ability in the rural youth of today. Its national enrollment numbers well over 300,000 farm boys with a great number of business men and executives as honorary members.

In the year 1945, a sister organization, the Future Homemakers of America, was founded; and an enrollment of 313,301 makes it about the same size of its brother. This organization is patterned after her older brother and strives, to a certain extent, toward the same goals of better home life and community living.

Its purposes are to promote an appreciation of the joys and satisfactions of homemaking, to emphasize the importance of worthy home membership, to develop leadership in home and community life, and to promote international good will.

These girls are doing a wonderful job of carrying out their projects each year through their national, state, and local chapters.

The F.F.A. and the F.H.A. are well thought of in local circles as exerting strong influence in most areas of community service and responsibility. Through their members, leaders, and sponsors, may our homes, community, and nation of tomorrow promote life in its fullest meaning and bring hope to mankind.

It is with these things in mind that we dedicate the 1952 year-book to two organizations which make for better home and community life and enhance the spiritual and physical beings of those who graduate from high schools all over the United States and her territories.

Superintendent's Message

This book is possible only because of your freedom. Being born in a free country is the greatest heritage possible, and it costs each of us nothing; but do not fail to realize that many people died that we might be blessed with freedom. Although you were born into and so far reared in a world seething with unrest, you are the fortunate minority because you were born in America. It therefore falls to you to furnish the leadership to once again return the world to an even keel. In the four years spent in high school, you are molding the foundation of your life. It is during this period you must learn to think clearly for yourself, learn to respect the rights of others, and always willingly apply yourself to the best of your ability to the task at hand.

If we, as your advisors, can so teach you that you do the above, we can consider our generation a success.

Mr. Scott A. Funkhouser is the superintendent of Wapella Community Unit District No. 5. He was graduated from Eastern Illinois Teachers College with a bachelor's degree and from the University of Colorado with a master's degree in 1941. He also attended the University of Illinois and was in the Navy for three years with the rank of Lieutenant. His past teaching experience includes Nokomis and Dalton. This is his sixth year at Wapella.

Office Secretary

Mrs. Helen Johnson was graduated from Wapella Community High School in 1945. Immediately after graduation she was an underwriter at the Union Auto Insurance Company in Bloomington, Illinois. She has done secretarial work here two years.

SENIORS

Senior Class History

As we, the Seniors of 1952, glance backward to the fall of 1948, when we entered school as "Green Freshmen;" we amuse over how backward and ridiculous we were. I suppose some of us wondered if we would ever struggle through four years of hard study, but we who have stuck it out are happy to say that there have been many happy moments during the four years.

We started our freshmen year with twenty-two members. Those enrolled were: Genevieve Carstens, Carol Campbell, Shirley Holsbach, Dolores Wilson, Richard Bell, Sarah Thorp, Jean Payne, Phyllis Lange, Nancy Evans, Glen Trimble, Roy Bray, Lawrence Toohill, Richard Mosbach, Kenneth Burger, Charles Wickenhauser, Robert Arteman, Donald Whitted, Gary Durbin, Lela Lane, Della Bray, Juanita Morris, and Mavis White. Our officers were: Richard Bell, president; Sarah Thorp, vice-president; Dolores Wilson, secretary-treasurer; Shirley Holsbach, reporter; with Miss Garver as class sponsor. In the spring came Evelyn and Darwin Sumpter from Kalamazoo, Michigan, to join us. Dolores Wilson left us and went to Clinton, and Charles Wickenhauser moved to Farmer City.

We had two parties: A theater party at Clinton and a hayrack ride and wiener roast at the home of Genevieve Carstens. Our class was well represented in many school activities. Four freshmen boys were out for basketball and baseball. Nine of our boys were enrolled in F.F.A. Seven girls were enrolled in the F.H.A. In music we had seven boys and girls represented.

We began our sophomore year with seventeen members. Those who did not come back were: Glen Trimble, Roy Bray, Lela Lane, Della Bray, and Juanita Morris. Our officers this year were: Sarah Thorp, president; Richard Bell, vice-president; Nancy Evans, secretary-treasurer; Carol Campbell, reporter, with Mr. Kidd as class sponsor.

We had only one class party, and that was a skating party at Chap's Amusement Park in Decatur. Nominees for Queen of the senior box social were Sarah Thorp and Carol Campbell; nominees for the King were Robert Arteman and Richard Bell. Carol Campbell had the honor of being crowned Queen. There were five boys out for basketball, and two boys for baseball. There were several in band, F.H.A. and F.F.A.

The next year we, the "Jolly Juniors" of 1950-51, had an enrollment of thirteen, with the following officers: Shirley Holsbach, president; Donald Whitted, vice-president; Robert Arteman, secretary-treasurer, and Sarah Thorp, reporter. Miss Ryan and Mr. Mara were our sponsors. Phyllis Lange and Nancy Evans did not return with us, but Richard Thayer joined our class. We sold magazines to raise money to give the seniors a prom, and we topped our goal of \$500 by selling \$538 worth of subscriptions. We were very proud of this amount sold. The losers (boys) of the magazine sales gave the girls a party at Chap's Amusement Park in Decatur.

In March, we were given the chance to show our acting ability by putting on the play "Nearly Sixteen" which proved to be very successful. At the end of our junior year, a big highlight occurred—the Junior-Senior Prom. With hard work from our

members and sponsors, we all planned a most enjoyable evening, which we will never forget.

This brings us up to the big year looked forward to by many and regretted by some. This year we feel dignified and pleased that we have accomplished four years of high school education, and we are now ready to go out into the world. We are now a small class of W.C.H.S., with only twelve members enrolled. In February we lost still another member, Richard Mosbach, who left for the service. Need we say that we are proud of him.

Our class officers are Donald Whitted, president; Carol Campbell, vice-president; Shirley Holsbach, secretary-treasurer; Evelyn Riddle, reporter. Mrs. Blue and Mr. Schettler are our sponsors. This year again, one of the big interests was athletics. Five boys were out for basketball. Also, again we were represented in band, chorus, F.F.A. and F.H.A.

Early in the year we received our rings, which were ordered the previous year. We got them from Herff-Jones Inc. Our pictures were taken by the Blankenberg Photographers in Kankakee, Illinois. Our play "Aaron Slick from Punkin' Crick" was another big success in our school year. Evelyn Riddle was chosen winner of the D.A.R. award.

All in all, we the Seniors of 1952, are proud to be graduating from W.C.H.S.; and we hope other classes will remember us.

Class Prophecy

The year 1962, a beautiful day in May: We, Bob Arteman and Gary Durbin (International Helicopter Service of San Francisco) decide to take a few days' vacation and visit our old classmates. We hop into our jet-propelled helicopter and head eastward at the tremendous speed of 1,000 miles per hour.

In a few minutes, we see a large metropolis. The sign on the airport reads, "Wapella." Wapella!!! Can this be the town we left ten years ago? We land to find out. Sure enough, it is. Immediately we start for the high school. Upon arriving, we go straight to the principal's office, where we find Dick Bell who is principal and coach of good old W.C.H.S. He shows us all around the new building and takes us to visit the classrooms. In the hallway we meet Carol Campbell. She says that she has taken over the position of commercial teacher. We learn from her that Sarah Thorp is head of the Home Economics Department at I.S.N.U.

After leaving the high school, we stop at Darwin Sumpter's Auto Repair Shop. He tells us that his sister, Evelyn, is a secretary for some big firm in New York.

When we circled over Wapella yesterday, we noticed a huge farm with all the buildings painted blue and white. We hop into our helicopter again to investigate. We land and much to our surprise, we find the farm is owned by Don Whitted and Lawrence Toohill (richest farmers in central Illinois.) While we are talking, Richard

Mosbach drives up in a jeep. He has just returned to the United States from Europe and was recently promoted to the rank of General.

Back in town at the restaurant, we run into Shirley Holsbach who is home on leave from the Women's Air Corp. We find out from her that Genevieve Carstens is a nurse at the Mayo Bros. Clinic in Rochester, Minnesota.

Since we find that our classmates are getting along so nicely, we decide we had better head for home to see how our business has been doing in our absence.

Last Will And Testament

Class of '52

KNOW ALL MEN BY THESE PRESENTS, That we, the Class of 1952, of Wapella Unit District No. 5, Wapella, Illinois, being of sound mind, disposing memory, realizing the uncertainty of life and the certainty of death, desiring to make a fair, equitable disposition of all our earthly estate, both real, personal, and mixed, do hereby make and publish this, our last Will and Testament, hereby revoking any and all former testamentary dispositions made by us at any time heretofore.

I, Robert Arteman, will my superior knowledge to Jimmie Bell.

I, Dick Bell, will my typing ability to Frank Hanley.

I, Carol Campbell, will my place in the south end of the balcony to Marlene Laiser and Bob Swearingen, and hope they have as much fun there as I did.

I, Genevieve Carstens, will my acting ability to Dorothy Lange.

I, Gary Durbin, will my good looks to Jim Wickenhauser.

I, Shirley Holsbach, will my books to anyone who wants them as I will have no use for them.

I, Richard Mosbach, will my position and rank in the National Guard to Floyd Mollet.

I, Evelyn Riddle, will my ability to keep house and go to school to Ellen Mouser.

I, Darwin Sumpter, will my ability to have a girl in every town to Billy Summers.

I, Sarah Thorp, will my ability to whisper in English to Bernice Thorp. I hope she gets away with it, I didn't.

I, Lawrence Toohill, will my weight to Roland Schumaker.

I, Donald Whitted, will leave nothing since I have nothing to leave.

We hereby nominate and appoint the Junior Class to be executors of this, our Last Will and Testament, and it shall be their duty to see that all terms, conditions, and provisions of this, our Last Will and Testament, are carried into execution.

In witness whereof, we have hereunto set our hand and seal at Wapella, Illinois, this 22nd day of May, 1952.

Senior Class of 1952

Signed by the said Senior Class of 1952 and by them declared to be their Last Will and Testament, and attested by us witnesses thereto, in the presence of each other, at Wapella, Illinois, this 22nd day of May, 1952.

Mr. Schettler

Mr. Charles L. Schettler is our agriculture teacher. Besides teaching agriculture he is our F.F.A. sponsor. The senior class has him for a sponsor and annual advisor. Adult classes are also under the capable supervision of Mr. Schettler. In 1940 he was graduated from the University of Illinois. During the interval between his graduation at S.I.U. at Carbondale and his entry into U. of I. in 1946, he taught school for one year at Steeleville, Illinois, and was a captain with the famed Japanese-American 442nd Combat team in Europe for four years. Mr. and Mrs. Schettler and their three children reside in Wapella.

Miss Roberson

Miss Emaline Roberson teaches girls' physical education in both the junior and senior high schools, world history, citizenship, and biology. She also supervises the girls' intramural activity which takes place in the gym during several noon hours each week.

Miss Roberson attended Tennessee Tech. and received her bachelor's degree in 1949. In 1950 she received her master's degree from George Peabody College. She formerly taught at Sequatchi County High School in Dunlap, Tennessee. This is her first year at Wapella.

F.F.A.

The Wapella Chapter F.F.A. is located in the heart of the nation's corn and soybean belt. With this in mind, the Chapter tried to put over the idea of making more cash by putting some of the cash grain into livestock, this feeding to be done during slack winter months. Along this same theme, the young members were encouraged to use more livestock projects until, to a certain extent, we are now trying to swing the pendulum toward more grain projects.

In 1948 the Chapter purchased a Spotted Poland China gilt for a gilt chain. In 1950-51 school year the Chapter had five gilts out on a loan basis to receive two 225 pound gilts from each sow's litter. This Spotted Poland China chain proved so profitable that the Chapter decided to give other members the chance at a chain gilt and this fall bought a registered Duroc gilt to give a member of the organization on the same type contract as the S.P.C. gilts were given out previously.

During the last school year the Chapter bought and paid for a pop corn machine. As soon as enough profits were realized to reimburse the Chapter for the cost of the machine, we decided to turn the machine over to the school for the use of other organizations every other year. We will also realize enough profits every year to make a reasonable interest on our investment.

The local Chapter, in cooperation with the Wapella Community Club, has taken over the project of placing a memorial for those individuals in World War II who gave their last full measure of devotion to duty and country.

During the year of 1951 the individuals of the local Chapter won seven of the thirteen project award plaques given in the section by the State F.F.A. Foundation. The plaques went as follows in Section 16: Sheep, Robert Arteman; Poultry, Loyal Madden; Rural Electrification, John Carstens; Beef, Howard Hedrick; Conservation, Lawrence Toohill; Home Beautification, Frank Thorp, District No. 4; Soybeans, Richard Bell, State. Of course, along with these went the Chapter Medals for the Chapter winners. Don Whitted received a state farmer degree. Howard Hedrick was our De Kalb Agricultural Award winner and he and Richard Bell were the official delegates to the State F.F.A. convention at Champaign.

As a group the Chapter entries brought back a total of \$257.43 from their Section 16 F.F.A. fair at Decatur. Grand Champion Beef female went to Donald Riddle. In order to show what our breeding has done for Spotted Poland Chinas, the Wapella Chapter took all first through fourth places in that breed with pigs directly from the original chain sow or closely related to her. Some of the members and Chester White enthusiasts through their interests and abilities took a goodly number of the first, second, and thirds in the Chester White classes.

We have 29 members, of which 6 are seniors, with 56 projects in operation. One will attend the U. of I. College of Agriculture this fall of 1952. Another has already rented 80 acres in order to enlarge the land area and not to infringe on the income of his dad and another would farm but is in the Illinois National Guard and has been called to the service. The other three are going into farming partnerships with their fathers. One hundred per cent of the agriculture class is going into agriculture.

F.H.A.

The F.H.A. officers met last June in the high school to make plans for 1951-52. At the first meeting in the fall, September 12, committees were appointed, and Mrs. Carl Thorp was re-elected as our chapter mother.

On November 5, our annual installation of officers was held at the Community Club program. Martha Lampe, Section 16, President, was here to install our officers. Refreshments were served to the public.

In November the officers, Sarah Thorp, Helen Bray, Carol Campbell, Shirley Holsbach, Coryla Morris, Mary Ann Toohill, Bernice Thorp, Miss Swafford, and Mrs. Thorp, attended a meeting at Atwood. At this time Mrs. Thorp was selected as Section 16 Chapter Mother.

Our theme for the year was "Keynotes To a Better World." Each month some activity was planned in keeping in tune with our theme. The activities are as follows: September: We observed big-sister day. October: We made a United Nation flag and planned a U. N. assembly program. November: We sent clothing for overseas relief. December: We distributed sunshine baskets. January: We adopted a displaced German family. February: We sent a gift to the Baby Fold in Normal. March: We sent flowers and cards to the John Warner Hospital in Clinton. April: We sponsored an Easter egg hunt for the primary grades. May: We left May baskets with widows and sick ladies in the community.

F.H.A. week was observed with a special activity being performed each day. Sunday, a bouquet of red roses was sent to the Catholic, Christian, and Methodist churches. Monday, each member wore something red and white. Tuesday, we cleaned the trophies and their case. Wednesday, we decorated a store window in Wapella. Thursday, we cleaned the girls' rest room. Friday, we prepared sunshine baskets. Saturday, the officers broadcasted over W.H.O.W.

In order to finance our chapter this year, we have had a waste paper drive, sold Household Hint Books, operated the concession stand at the basketball games, sold "Diaper Dans," and sponsored a chili supper.

We also carried out several other projects. One was the clothing crusade drive in which we were in charge. In December we sent boxes of Christmas gifts to Korea for teenage girls. A donation was also given to the Red Cross. In regard to the displaced German family who had recently moved into the community, we gave them clothing, some for each member of the family, also food and toys. At our January meeting we voted to buy furniture in order to furnish one room of their home. A sewing machine and other pieces of furniture were given to us to give the family.

In April we had our annual banquet to which both mothers and fathers were invited. A red rose was given to each mother.

"Aaron Slick From Punkin' Crick"

Rosa Berry, an Oklahoma widow, is the target for city slicker Wilbur Merridew in his attempt to gain Rosie's land, supposedly rich in oil. On Rosie's side are her bachelor neighbor, Aaron Slick, who is the typical "hayseed", and Sis Riggs, a teen-aged tomboy who helps Rosie on the farm. Merridew is helped in his schemes by his "not-so-sweet-as-she-looks" niece, Gladys May. Clarence Green is a young man trying to catch Merridew because of a previous swindle pulled on him, and The Girl is a "smooth operator" whom Aaron meets up with in the city. Aaron, of course, turns out to be the hero of the day, Merridew is caught by Clarence, and Rosie finally manages to get a proposal from Aaron.

Senior Play Cast

Left to Right: Richard Bell (Wilbur Merridew), Sarah Thorp (Gladys May Merridew), Evelyn Riddle (Sis Riggs), Genevieve Carstens (The Girl), Richard Mosbach (Aaron Slick), Gary Durbin (Clarence Green), Shirley Holsbach (Rosa Berry).

"If Mother Only Knew"

The three Maxwell children — Connie, Betty Lou, and Wilbur — discover that their mother is dining and spending time with a certain Dr. Gooch, an old college chum. The situation becomes funnier by the moment after Mr. Maxwell finds out of his wife's escapades. Mother's family, however, does not know that there are two Dr. Gooches, husband and wife, both with a doctor's degree, and that it is the feminine half that Mrs. Maxwell has been seeing. The children are aided in their plot to keep the family circle together by their Aunt Mary and their friends "Brains" Burke, Bernadine, and Hercules "Hoody" Nelson.

Junior Play Cast

Standing: Albert Summers (Stage Manager), Martha Thayer and Kent Walden (Prompters), Dorothy Lange (Dr. Gladys Gooch), Tracy Hartlipp (Dr. Jeffrey Gooch), Francis Carstens, Gerald Ryan, and James Mearida (Policemen).
Seated: Mildred Cook (Bernadine), Helen Bray (Betty Lou Maxwell), Wilma Welch (Aunt Mary), Clara Belle Kurtz (Mrs. Maxwell), James Wickenhauser (Mr. Maxwell), Coryla Morris (Connie Maxwell), Donald Riddle ("Brains" Burke), Robert Toohill (Wilbur Maxwell), Frank Hanley (Hercules Nelson).

Miss Reidner

Miss Reidner is our English teacher. Besides teaching all four grades of English, Miss Reidner has charge of the library and is the director of the junior and senior plays. She is also the sponsor of the freshman class and helps with the school newspaper. Miss Reidner was graduated from Warsaw High School in Warsaw, Illinois. In June, 1950, she was graduated from Carthage College, Carthage, Illinois; and in the fall she came to Wapella.

Music

An August 29, 1951, the music department begin its music rehearsals. We are happy to see so many students participating in its activities. The band has thirty-four members. We have several students beginning in band, so we hope to have a larger band next year.

There was a music demonstration given by the Miller Music Company of Bloomington on September 13.

The band has played at all the basketball games at home, and we have taken part in some of the Community Club programs. On October 11, the band played at the Pancake Festival at Clinton. The band played and marched around Wapella, with the grade school students dressed in their Halloween costumes, on October 30.

On December 20, the Christmas program consisted of the band, vocal groups, and carols by the audience. The program for December 21 was postponed until January 14, 1952. The grade school children presented an operetta, "The Magic Christmas Bell." This is the first year we have had two Christmas programs since Mr. Kinsman has been here.

The mixed chorus and band participated in the DeWitt County Music Festival, which afforded fine musical experience, on February 6, at Clinton.

Mr. Kinsman

Mr. Dana Kinsman is our music teacher. He has charge of all music in both the grade and high schools. Mr. Kinsman received his bachelor's degree in 1937 and his master's degree in 1938 from Illinois Wesleyan University. His past experience includes being head of the music department, Humboldt State College, in Arcata, California; director of bands, Grossmont High School, in San Diego, California; and director of vocal music, Lincoln Jr. and Sr. High Schools, in Los Angeles, California. He has also made performances and arranged music for the radio. Mr. Kinsman was a first lieutenant in the Army. At present he is director of the Bloomington Consistory Band, the Bloomington Municipal Band, the Illinois Championship Moose Lodge Band, and the American Legion Drum-Bugle Corps, Bloomington, Illinois. He also has a dance band.

Baseball

The baseball team of Wapella High School had some unsuccessful spots in their sport this year. When one takes into consideration the fact that those out for the sport were primarily underclassmen, the results were not discouraging.

Everyone who had any connection with the team last fall realizes that lack of experience was our main hindrance and that should be corrected by this spring. So we look forward to a good spring season.
